Voluntary supporters of Fruitport Area News
By Mary Weimer

Several voluntary supporters have responded to the opportunity to support this newspaper, and we appreciate your encouragement. Some of our contributors have asked that their names not be printed in the paper, and we respect their request.

The goal of this newspaper is to be a positive influence in our community. We bring your local news to you in a way no other medium does, through the printed newspaper and through our website.

Your opportunity to support this paper continues, as printing and mailing costs are a factor for each issue. We continue to provide the voluntary supporter form in this issue of the paper to give you the opportunity to keep "the good news paper" coming to residents of Fruitport and Sullivan townships.

The following individuals have chosen to support the Fruitport Area News since our last issue.
Thank you!
