### MCC's Community Family Fest Offers Fun & Educational Event in Downtown Muskegon on June 3

Muskegon, MI -

Muskegon Community College's second annual Community Family Fest moves to the Muskegon Lake shoreline on Saturday, June 3, when residents of all ages can enjoy fun and educational activities. Previously held on the MCC main campus, this year's event runs from noon to 3 p.m. at the MCC Lakeshore Fitness Center (formerly YMCA), 900 W. Western Ave., in Downtown Muskegon.

Attendees will enjoy an afternoon of fun and education, FREE PICNIC LUNCH, live music, and several children's activities including bounce house, giant slide, train rides, face painting, make-and-take crafts, games, chalk art, karate demonstrations, life-sized jenga, gaga ball, free children's books, goodie bags, and much more!

The whole family can participate in fitness center

tours, family-friendly Pilates and Zumba exercises, onsite body screenings, and an appearance by Jayhawk, the MCC mascot.

Plus, everyone can board the trolley that will loop and make stops at the new MCC Downtown Center for tours inside, which includes the Applied Technology Department and the Rooks | Sarnicola

Institute for Entrepreneurial Studies. Along the way, MCC Historian Kurt Troutman will provide insights into Muskegon's landmarks.

"We invite the community to stop by and enjoy free food, a variety of activities, great entertainment and to experience our Lakeshore Fitness Center," said Trynette Lottie-Harps, dean of community outreach at the college. "We want our community to visit our new locations downtown, learn about our programs and connect with our staff. We've had great support throughout the years and we feel honored to be able to share what we've done and what we're doing at MCC."

ALL WELCOME @ #COMMFAMFEST! It's our way of saying THANK YOU to the community for another year of support and success!
