### Pincrest Bar & Lanes Corner Update

Hello Friends and Neighbors!

You might be wondering what's happening on the corner! Despite the change in business operations and decline in revenue this past year Tom and I are continuing to invest in Pincrest. As you may have noticed, we've added covered seating in our South lawn and our new walk-up bar is ready to go. Thanks to our hometown friends and work crews, we are going to be able to host folks outside this year and will kick-off our summer events this Memorial Day weekend. We have music scheduled every weekend this summer until the end of September, check out our facebook page or stop in to see event details.

Did you hear about the craft shows? Yes, we will be hosting craft shows in our parking lot again this year, with the first one on Sunday, May 30th starting at noon. Fruitport Township has been kind enough to allow folks to park in the grass lot between Pincrest and Hooligans. Our craft shows have been a lot of fun and we've had a great turnout from vendors and customers! If you're interested in a booth for any of our shows, please send us a fb message or give us a call at 231-865-3215.

Making a difference right here at home continues to be a key aspect of our business, and even though we were closed for many months, our fundraising events and customer donations over the last year totaled over \$2K and benefitted organizations such as Fruitport Public Schools, Fruitport Lions Club, and the Fruitport Regulator Fund. Community is a feeling, and we're proud to be a part of one.

As always, hope to see you at the corner!  
Aimee & Tom Johnson

**Pincrest welcomed** Spring Run Riders Sunday May 2nd to the new walk-up bar located under the pavilion.

#### Church bulletin quotes:

Irving Benson and Jessie Carter were married on October 24 in the church. So ends a friendship that began in their school days.
