The Leila and Cyrus Poppen Hospice Residence in Fruitport, provides people with the opportunity to live out *their journey – on their terms – with the help of our expertise.*

Poppen Hospice Residence serves all regardless of ability to pay, who are terminally ill and in the final stages of life, when providing care at home is no longer the best option.

Tandem Electric rewires Village Christmas lights

By Jennie Kriger

You know the holiday season has arrived when the lighted decorations appear on the light poles in the Village of Fruitport. Everyone looks forward to the Christmas light display! It was a privilege for Tandem Electric to make this tradition a safer one for the village workers who, for years, had to struggle with putting these lights up at a dangerous height. The team at Tandem Electric rewired and lowered the receptacles on the poles, improving the accessibility-and safety-for the Village of Fruitport workforce.

Tandem Electric has recently expanded its services and its shop location. Moving from their former location on Airline Road to a bigger building at 19130 N Fruitport Rd in Spring Lake, Tandem Electric has become a full-service electrical contracting company. Tandem Electric serves the Lakeshore and all West Michigan in residential, commercial, and industrial electrical support. With over 100 years of combined experience, Tandem Electric has the right product and approach to value-engineer your project providing better efficiency and long-term solutions.

Ryan Dubie of Tandem Electric rewires each light pole receptacle in preparation for hanging lighted Christmas decorations in the Village of Fruitport

Ryan Dubie and Cory Dougan of Tandem Electric install newly rewired receptacles at a lower level on the light poles in the Village of Fruitport making it easier and safer for village workers to hang the lighted Christmas decorations
