RC Car & Truck show and Swap Meet at The Lakes Mall.

The Soul Snatchers RC Club hosted one of its first public events, an RC car & truck show, along with a swap meet, at the Lakes Mall on February 13 and 14. The event included a racetrack, a rock course, and a live auction for radio controlled cars. About 50 to 60 people, who attended and participated, came from all around to share their passion for RC vehicles. Dexter Brown, club leader, said response to the event was outstanding. The

Trucks helping each other out on the rock course

club hopes to organize more events like this, especially outdoor shows, throughout the year, in Muskegon, Grand Rapids, and Fruitport. The event was sponsored by House of Hobbies, Ludington Hobbies, Riders Hobby Shop, and Cobblestone Hobbies and Crafts, all from Michigan. They provided their products for sale and spread the word to their clientele about the swap meet.

The Soul Snatchers RC Club is a group of people who share interest in radio controlled vehicles. Many of the members have been avid RC users for upwards of 40 years. The members vary in background, including military personnel, janitors, and retirees; all share a passion for building, modifying, or just racing RC cars and trucks. "The passion is rooted in working with your hands, watching what you built perform the way you wanted it to perform," says Brown.

The club has been meeting locally for about 8 years. They meet weekly in the parking lot at Muskegon Community College (when the weather permits) to talk and race their RC vehicles. They welcome new and experienced RC users. If you want to join, call Dexter Brown at (231) 288-7135 or Jeff Scott at (231) 327-0858.

Parts for the RC cars & trucks

They will meet with you to see how you drive your RC vehicle for initiation.

Keep an eye out for the upcoming Soul Snatchers RC Club page on Facebook.
