

Homeschool Class of 2022

Podein, Katelyn

I'm thinking about going to college to get a degree in animal science. I have also thought about being a writer. I'm working on my first book right now. I like art of all kinds, but I prefer to do drawings and landscaping. I've also been learning to play the guitar.

Regualos, Haylie

I am currently a nanny and babysitter for many families and plan to continue with that while adding photography on the side. Church is a huge priority in my life, and I am looking forward to seeing how God is going to use me there in this coming year.

Reminder, Amy

I plan on pursuing an undergraduate degree in criminology, going on to law school and then into Federal level law enforcement. I have spent the past two years learning from our communities' law enforcement and public safety agencies through internships. In my free time

I enjoy swimming, hiking, and camping.

Rice, Abigail

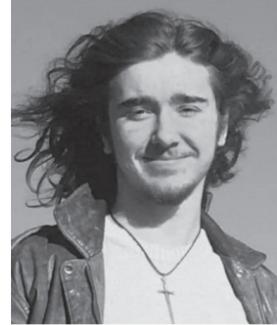

My long term plans include criminal investigation, animal rescue, and K9 search and rescue. I would also like to do some cross country traveling. I like working with animals, hunting, fishing, swimming, building things, hiking and being outside, snowboarding, and hanging out with family.

Rich, Aric

I have enlisted into the US Army to be a Signal Support Specialist as a 25U Airborne Army Ranger. During high school, I enjoyed playing hockey for Muskegon United Elite and was also a Civil Air Patrol member earning both the Billy Mitchell and Amelia Earhart Awards.

"When you go through deep waters, I will be with you." Isaiah 43:2

Rustin, Toby

I am Toby Rustin, son of Toby Rustin, final graduate of the First Rustin Academy and writer of bios. Everyone wants to honor God and be happy before we meet Him, and I'm no different. For work I am going into the trade of welding, and I am excited to see where I can go with that. I'm just a fun loving dude, man.

Schlatter, Reece

I've been homeschooling for the past 8 years, and this year I am completing 2 years of welding classes at Careerline Tech Center. I really enjoy it, and I'm now looking forward to becoming a full time welder when I graduate. In my free time I enjoy doing flips on the trampoline, hanging out

with my friends, and eating good food.

Stevens, Evan

I have been homeschooled for about 4 years, and I really enjoyed it. I am graduating one year early as a sixteen year old. I am currently unsure of what I would like to do with the rest of my life, but I'm really just waiting for something to fall into place. I work at a trampoline park called

"Defy," and I really love the connections I have made there.

Street, Hope

I was born in San Francisco, California and raised in Grand Haven, Michigan. I have two siblings, TJ and Jessica, and two pets, Mackinaw and Simba. I enjoy attending youth group, listening to music, gaming and watching movies. I plan to attend Grand Rapids Community College.

Truax, Joshua

Upon high school graduation, I will be attending Muskegon Community College for my basic education. After that, I plan to attend University to pursue degrees in theology, church history, and philosophy. During my free time, I enjoy reading, writing, hiking,

and hanging out with friends and family.

Turner, Pearl

I was born in Muskegon in 2005, graduating early, having skipped 4th grade. I attend Faith Baptist Church in Muskegon. I love classic movies from the 1930s to '50s and have written over 300 movie reviews. I'm a classic film blogger and YouTuber (Old Hat Cinema). I've been in

community theater since I was 13 and have done seven shows. This autumn I plan to write my first novel.

Van Andel, Jenna

I am excited to see what God has in store for my life. Currently, I plan to enroll in a Grand Rapids Phlebotomy Class and look to become a phlebotomist. In my free time I enjoy horseback riding, reading, camping and spending time with family and friends.

VanTongerren, Ellie

I was 11 years old when my parents decided to homeschool. Thanks to my parents and grandparents, I've been able to travel the United States. In my last year of High School, I was dual-enrolled at MCC. I will continue my education there this fall. Throughout the next couple of years,

I hope to work for the DNR and narrow down future career options.

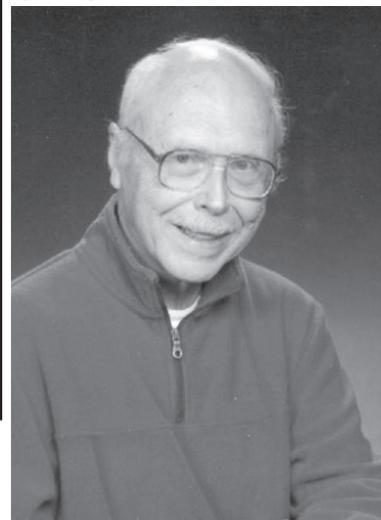

Yeager, Jacob

I love doing things outdoors, exercising and talking with my friends and family. I am thinking about getting my journeyman to become an electrician where I can put my skill to use helping the people I know. My goal in life is to share the love of Christ in whatever ways I can.

Dennis Anderson

by Larry J. Pellet

Fruitport lost one of it's mainstays March 25, 2022 when Dennis Clarence Anderson passed away suddenly at his home, attempting to continue what he had been doing all along, living clean and exercising religiously. The

beloved husband and father, born in Ludington in 1940, moved to Muskegon shortly thereafter and married his sweetheart Luria (Edick) in 1962. Quiet but intelligent, Dennis served in the U.S. Army before employment at General Telephone until 1977. A Detroit enthusiast, he is perhaps best remembered as the entrepreneur who originated the Sports Pro Stop at 4266 Grand Haven Rd in 1983, a family owned establishment that is still in business today. Get your favorite sports memorabilia there! Anderson, father to 4 sons - Kevin (Jen), Todd (Sue), Mark, and the previously deceased Todd, loved to travel and explore diverse regions such as Australia, Alaska, and Hawaii. Like most of us, he also adored Fruitport's annual Old Fashioned Days.

Mr. Anderson left behind 4 grandchildren.

Fruitport District Library Summer Reading Program!

submitted by Matt Lubbers-Moore, FDL Director

We have an amazing summer planned at the Fruitport District Library full of events for children and adults! Come check out the Launch Party in Pomona Park on June 18th where you can sign up for the Summer Reading Program, make crafts, and try to dunk people in the dunk tank! Win prizes throughout summer and earn entries into our raffle for the Cool Down event on August 13th. We will also have wonderful guest speakers like storyteller and science teacher Jenifer Strauss on June 23 at 11am, the Restless Vikings presenting a Storytime and craft on July 14th at 1pm

followed by an evening program about the Great Battles of the Great Lakes at 6pm for adults, the Outdoor Discovery Center will explore the wetlands around Pomona Park in search of creatures on July 19 at 11am, Cake Nailed It! event hosted by Orchard Market's own Denise Dill at 5pm on August 2, a magic show on August 3 at 11am followed by a Nerf War at 1pm, with another visit by the Outdoor Discovery Center on August 11 at 3pm for an interactive presentation featuring live animals, taxidermy, and artifacts! For a full listing of Summer Reading events please stop by the library, check out the events page on the library website, or attend the kick-off party on June 18th!
