

FRUITPORT REGULATORS

New Traditions: Our first ever Regulator Holiday Bus Tour was a success! Our crew dressed up in our Holiday best (and worst) and caroled at a few local bars to raise money for our Christmas for Families program. We stopped at Stan's Bar in Spring Lake, then headed to The Old Homestead, dashed on over to The Sandbar, stopped for some cheer at 46 Bar, and concluded our tour at Pincrest Bar & Lanes. Some folks tipped us to sing more songs, while others threw money at us to stop. We had a great time, everyone was feeling festive, and we raised over \$3,000 for the Regulator Fund! Each holiday season we partner with Fruitport Area Schools and help give a few families a "lift up" over the

holidays. Our staff and volunteers take time to shop and wrap wish list gifts for each family. We also provide cleaning supplies, household needs, personal care items, and food for the pantry. Over the past ten years we have helped over 50 families and their children.

Join us this Memorial Day weekend as we host the 16th annual Regulator Motorcycle Run. It's a great way to kick off the riding season, see some friends, and raise some money for a great cause. Veterans always ride free!

Thank you for your continued generosity,
Sincerely,
the REGULATOR COMMITTEE

Back in 1955, before computers and cell phones, kids--along with school faculty--found their own fun. This 9th grade class nominated 8 classmates and then voted for a class king and queen. Everyone wore their nicest clothes to a dance. The Queen was 15-year-old Sue Ann Alger, and the King was her classmate, Vernon Moore. From left to right are: 2 unidentified girls with Lorrin McClain between them; Mr. Patterson holding the Queen's crown; Mrs. Kelly holding the King's crown; next is Steve Bonney with Frances (Rogalla) Irwin and Hugh Alger. That is one way kids 68 years ago had fun and learned to enjoy a formal dance.
