CONSIDER QUESTION AT CLOVERVILLE HALL; ROAD IMPROVEMENT ALSO CONSIDERED.

(FRIDAY, MAY 7, 1915)

The improvement by the county of the mile and a half of road running by the Cloverville grange hall which farmers in the vicinity graded and ditched last fall, and the combining of the grange picnic with the business men's picnic of Muskegon are two topics which were Discussed at the annual meeting of the Muskegon County Pomona grange, No. 41, held with Cloverville grange No. 1537, at the Cloverville grange hall yesterday.

Cloverville farmers were promised by the members of the board of road commissioners that the county would place stone on the highway if the farmers graded, crowned, and ditched it. This has been done and the farmers are now looking to the county to make good its promise. An excellent grade has been made.

CLOVERVILLE

While Mr. Carpenter was working on his tool shed Tuesday evening he glanced down the road and thought he saw T. P. Carpenter's house afire. The alarm was spread. When everybody was about to rush to the aid, someone mentioned there was no smoke. Sure enough it was the sun just before it sank.
