A letter to the editor:

By *Connie Mc Donald Jarka (Gramma)*

As Coopersville Wrestling's Junior and Senior folks continue to prove successful, we celebrate all of them and their success with awarding them 'A Thought for Today.'

On Friday February second, Wyatt Jarka, (grandpa Jarka respectfully calls him, Quiet Wyatt) a Coopersville Senior, won All Conference!!!!!! as a senior and has made this the first time anyone has Ever Won This Honor at Coopersville High School. This I am told is a big honor and so wanted to do a mention. All together a team, is his mantra and With his other fellow wrestlers Wyatt has been involved for four years here at Coopersville winning several medals and this one we might suggest is the biggest one. A leader in his wrestling community Wyatt helps the younger ones learn as he has been shadowed along also. He and his many wrestling friends just deserved a special shout out for their bravery and their determination to bring honor and mention to the school as part of their young lives. May they continue to be winners each day as they take this accomplishment with them on to districts and regionals and state finals if it comes. We all celebrate with you all...

And to Wyatt, we are all very proud of you .. 'All Conference.' A great title. ""Congratulations"" to all.
