**Aviation Boot Camp, July 8 - 12, 2024**

We have some exciting news!! It's that time of year again to get the word out for 2024 Aviation Boot Camp. Each year, Pilots For Christ Michigan, operating out of Fremont, hosts this camp. The ministry of Pilots for Christ, first and foremost, is to spread the gospel of Jesus Christ; secondly, to serve in the capacity of flying people to their medical destination at no charge; and thirdly, to provide this awesome event! Aviation Boot Camp 2024 will be held at the Pilots For Christ MI hanger in Fremont, Michigan on July 8 through 12.

It is a daily camp where kids are dropped off at 8 o'clock until 4 o'clock. We provide a morning snack, lunch, and an afternoon snack. There is much excitement, and the kids have an experience of a lifetime, wherein the schedule is broken up into sections. They get to fly a real plane daily and have a real logbook to log in their flight hours. They also attend various classes around Aviation. Best of all, the kids get to learn more about Jesus Christ, while enjoying making new friendships that will last a lifetime.

Last year we had 125 children. Making sure that your children are safe there were 12 counselors last year so our rule of thumb is One Counselor/ per every 10 children of their same age group.

We have plenty of room for your children to sign up. (Ages 8 - 18) We are still in need for more adult volunteers. We would love to meet you and have you join us!

You may sign up for camp or volunteering at

[vbspro.events/p/bootcamp.2024](http://vbspro.events/p/bootcamp.2024)

While we try to make the camp very affordable for families, we understand that you may have the desire to have your children go but it's not affordable for you. If so, please let us know; we will help in any way we can.

So far we have 50 children signed up with an expectancy of 200 this year with 20 Volunteer Christian Counselors. Paul with our Pilots For Christ team from Minnesota donated a small experimental one-seat plane for the kids to work on during camp! They will learn how to rivet, put fabric on the wing, upholster, and much more! These projects are a dream come true from the children's request from last year.

If you want to learn more go to the website above. Also, if you want to learn more about volunteering, you're welcome to join us the first Tuesday of each month at 6:30 at the Pilots For Christ hanger! We have a potluck and meeting at the address below:
