

HOMESCHOOL GRADU

Ashley Austin

This is my first year being homeschooled due to chronic migraines. I love Jesus, camping, boating, animals, hanging out with my friends and spending time with family.

Lily Brady

I have been homeschooled my whole life. My favorite class is either Ecology or Language Arts. My hobbies are crocheting, thrifting, or having coffee with a friend, an ideal week having 2-3 of those. My goals have always included having a well-paying job, getting married and starting a family. If I had one wish, I would ask for a stash of sushi and/or chocolate. One of my favorite verses is Hebrew 2:18.

LillyAnn Corcoran

I have been homeschooled for most of my life but have also taken several art classes, including choir at Fruitport. Some of the things I enjoy are reading, drawing, going for long walks, music, traveling and spending time with friends and family. I'm not totally sure what the next step for me is but, I'm excited to see what God has in store for me. Joshua 1:9

Eli Fessenden

I have been homeschooled all of my life. I love to laugh, play sports, and spend time with God, family, and friends! After graduation, I plan to attend Indiana Wesleyan University to pursue a bachelor's degree. I am excited to see what God has in store for me in the next chapters of my life.

Abigail Holland

I have been homeschooled my entire life. I enjoy too many things to list, including photography, dance, the beach, and spending time with family and friends. I look forward to going on a mission trip with Youth With A Mission next year. I am excited to see the plans God has for me and my fellow graduates.

Adrianna Kelley

I have enjoyed being homeschooled since first grade. I've had horses since I was 6 years old and been involved in 4-H for the last 13 years. My other hobbies are spending time with family, playing piano, gardening, baking, drawing, historical architecture, reading, and working on my classic car. I also enjoy baling hay with my brother. After graduation I am going to teach piano at Westshore Music Academy and pursue a career relating to history.

Cole McFarland

I have been homeschooled for 4 years. My favorite subject is History. I enjoy playing football and basketball. My pastimes include playing video games and hanging out with my friends. I plan to return to lifeguarding at Michigan's Adventure this summer. I also attended CTC and plan on becoming an electrician. I enjoy helping people, and after graduation, I will also be joining the fire department as a volunteer firefighter just like my dad.

Grace Montambo

I have been traveling the country with my family for the past 5 years, and I have been homeschooled since 1st grade. I love Jesus, friends and family, plants, everything 70s, and all things art! I would love to continue traveling and have an income from my art, but I am praying God will guide me and reveal to me His plans for my life!

Bernadette Reminder

I'm currently attending the Careerline Tech Center for cosmetology, and I plan to go to NUVO College of Cosmetology to finish the program and get my license. I love arts and crafts, playing with my ducks, building puzzles, hanging out with friends, and working at Michigan's Adventure. I enjoy watching horror movies and trying to recreate the special effects makeup.

it's a
WONDERFUL
life

with
