PINCREST BAR & LANES CORNER UPDATE

When we say we have a vintage bowling set up, we're not kidding! Pincrest is one of only a few houses that still operate the original Brunswick Tel-E-Score units, which means there's no computer to keep track of your score, it's all done by hand. We're lucky enough to have a crew of score keepers during league nights, and these folks see and hear just about everything that happens on the lanes. Someone once said that it's like having your own personal caddy on the golf course. They get to know each bowler and their unique style. They offer support and encouragement, and if needed, they may also give you a little advice. Who needs a computer to tell you how you're doing when you have your own personal score keeper!

We're excited to be hosting a variety of events this summer, including craft shows, bike nights, comedy shows, and live music every Saturday and Sunday. Check out our schedule of events on facebook.

As always, we hope to see you at the corner!
