The Old Fashioned Days Memorial Day Parade (OFD Parade) is sponsored by the Fruitport Lions Club and will be held on Memorial Day, Monday, May 26, 2025, at 2:00 pm.

We invite you to participate in the parade. All prospective participants must apply for a parade entry each year. Parade entry application also signifies your understanding of, and agreement to abide by, the current 2025 OFD Parade Rules and Regulations. Please review those rules and important parade information in the attachment and at <https://fruitportlionsclub.com/memorial-day-parade/>.

If you are a commercial entry, a fee of \$50.00 is required to participate. To apply to participate in the parade, completely fill out the parade entry application <https://fruitportlionsclub.com/parade-application/>. **Deadline to apply is Sunday, May 18, 2025.**

Thank you.

FRUITPORT REGULATORS

submitted by Aimee Cohoon

The Fruitport Regulator Run will take place on Saturday May 24th at Pincrest Bar & Lanes

Join us for the Regulator Motorcycle Run on Saturday May 24th, hosted by Pincrest Bar & Lanes. This is a fun opportunity to participate in an organized ride and help raise money for the Regulator Fund. DJ Darin of Music Mania DJ Services will emcee the event, and we will have raffles, prizes, silent auction items, and Mama Lisa's will be serving up dinner. This year's ride plan is 80 miles, and our group will head to Wright Tavern, Kazz Bar, 7 Mile Inn, Effin' Bar and Grill, and return to Pincrest around 5:30pm. Monies raised at the Regulator Run are designated to support a variety of Veterans organizations, community projects and our Christmas for Families program. Rider registration starts at 11am and the run departs at 12:30pm sharp. Entry is \$15 per person, \$25 per couple and includes an event pin (while supplies last), dinner, and a chance to win a few prizes. As always, veterans ride free. You don't have to be a rider to get in on the fun, feel free to join us at any time during the day!

The Regulator Fund is managed by the Fruitport Lions Club, and we thank you for your generosity.

Sincerely,
 the REGULATOR COMMITTEE

Marijuana and Your Health

In a study published earlier this year in the Journal of American Medical Association, researchers found daily consumers of marijuana had 25% higher odds of heart attack, and 42% higher odds of stroke, compared to nonusers.

Cannabis use has also been associated with brain health and cognitive vitality for all ages. Prenatal exposure has been associated with poor cognitive performance, as well as emotional and mental health of children as they develop.
