

Campus Life Ministry Update:

In the Fall, A & K came to my wife & I asking if they could start a bible study. We said “of course!” What they didn’t know is that we had been praying about next steps for all of the students we’re discipling that have started a relationship with Jesus through Campus Life Ministry.

So, in order to remain open to what God was doing, all we had committed to was to be available for whatever students needed. They needed a space, so we opened our home. They needed a starting point, so we pointed them to the Gospel of John. They needed lunch, so we get the food. They wasted no time, wanting to start that following Sunday.

Students filter in between 11:30-12 to start cooking lunch. The rest arrive between 12-12:30 (and they play with our daughter!). Lunch is served at 12:30. After the first week, students

2025 Fruitport Leo Club

by Heidi Tice

Fruitport Leo Club is coming to the end of the school year and this year we have several senior in our ranks that will be leaving. Many of these members have been in the Fruitport Leo Club since Middle School. They have stuck through Covid and helped grow the club’s membership each year. This year the Leo club is actively collecting plastic bags for a recycle program. They have a goal to collect 1000 pounds of plastic wrap/bags over the next year and donate a recycled bench to Fruitport High School through TREX company community recycle program. If you would like to help the Leos, contact Lion Heidi Tice and she will let you know what products are recyclable and where to bring your donations. Her contact information is htice@icsworldmail.com or contact Todd Dunham at Fruitport Township (231) 865-3151 and he will pass along your information.

expressed the desire to sing and worship, so now we have a time to worship and praise. Then we dive into scripture, taking our time in each chapter of John where students drive the conversation, my & I really just provide guard rails to keep them on track. Then we take time to share what’s going on in our lives and pray. Usually, students are on their way out the door by 3.

What started as an idea of just a Bible study has turned into a borderline house church. Not only has it grown in scope, but it keeps growing in size. The first week we had 6, the second week 9, the third week week 13. Since then, we’ve had many more students join us, all because their friends invite them.

We’re excited because this was an answered prayer, students are leading the way on this, and they reach more and more of their peers.

Summer Camp:
We’re getting ready for another year of Summer Camp. This year we head to Tennessee for a week in June. Summer Camp is where students like A & K (who started the Bible study), and many of the kids who attend bible study, started their relationship with Jesus. Each year we try to eliminate as many barriers as possible so students can attend. Financial barriers are easily the biggest obstacle, and we try our hardest to make sure any kid who wants to attend can, regardless of money. If you’re interested in partnering with Fruitport campus Life to sponsor a student for camp this year \$300 is. A full scholarship, \$150 is a half scholarship, and of course any amount helps us reach our goals. If you think your church or small group are interested, please reach out to my email below and I can come speak at churches, board meetings, or pop in for a small group gathering.
