Local Business Profile: Cadena Bros Pizzeria

by Kim Holtrop

Cadena Bros Pizzeria was started in July of 2023 by twin brothers Nick and David Cadena. The Cadena brothers used Nick’s passion for cooking and David’s love for the Fruitport community to “create food that people enjoy,” according to Nick.

“My dream was to open my own restaurant one day,” said Nick. “It’s always been a passion of mine, cooking, since I was a little kid.” He discovered this when he was eight years old, when their mother’s autoimmune disorder prevented her from being able to cook for the family. “I just kind of picked up the slack, and, you know, started cooking, and found a passion for cooking.” After high school, Nick received a degree from the Culinary Institute of Michigan, which helped him further pursue his love of cooking.

David, an alumnus from Fruitport High School, has been fully supportive of Nick’s dream. “[Nick] came to me and said, ‘Hey, would you be interested in helping me get going and getting started?’ And I said, ‘Absolutely.’ I’ve had the opportunity to help my brother reach his dream....I just couldn’t pass up,” he said in an interview with Wood TV.

The building that now houses Cadena Bros used to be the home of Antonio’s Pizzeria, owned by Mario Flores, the brothers’ partner in business. After Antonio’s closed, Flores sold it to his brother-in-law, Teddy Cerniglia, who opened Teddy Spaghetis on the same location. Teddy Spaghetis closed its doors in March of 2023, and four months later the Cadenas opened their pizzeria. The brothers had been working on starting up their pizzeria for about a year and a half before they finally opened on July 26, 2023, with the partnership of Mario Flores. “We thought we were going to be pretty busy,” David remarked to Wood TV. “The grand opening was about tenfold of what I thought it was going to be....One person would call and there’d be about another four or five people calling all at the same time. It was honestly...a great problem to have.” And now, nearly two years later, business is still thriving for the Cadena Bros.

The brothers are grateful for the support Fruitport residents have given them as they were first starting the pizzeria. “I tell everybody Fruitport is a special place,” he told Wood

TV. “They support their own.” Mario Flores, the brothers’ business partner, remarked to Wood TV that “we’re serving the community. We’re community first and profit second.”

Nick says that their fan favorite foods are the all-meat pizza, the Italian combo grinder, and the alfredo pasta. Additionally, all of their food is made in-house, “as fresh as we can,” said Nick. “We make our own sauces, we make our own dough, we grind our own cheese, we use all fresh vegetables....You can taste it.... What can set the pizza apart the most? It’s the toppings.” They have also added a new pasta menu, expanding their specialties into that culinary area as well. Nick also remarked that the Cadenas have now received their liquor license.

According to David, “Every day I go and I do the things that I do to make sure that [our mom] is looking down and she’s proud.” She certainly would be.

Cadena Bros Pizzeria, located at 3032 Heights Ravenna Rd, is open from 11am-9pm Monday through Thursday, 11am-10pm Friday and Saturday, and 12pm-9pm Sunday.
