

Homeschool

Allie Jaeger
I have been homeschooled my entire life. I've enjoyed being a part of the homeschool community through Axxess and other co-ops throughout the years. I love playing the piano, reading, and hanging out with my youth group and friends. Some would say I have a slight obsession with dogs which is why I have future aspirations to own my own canine boarding business or possibly pursue a career in animal rehabilitation. I plan to use this year as a time to earn money and to look better into whatever God has planned out for me.

Brayden Emerson Snuffer
I've been homeschooled all my life. I have a passion for filmmaking, photography, and video editing. I am pursuing an apprenticeship in the plumbing trade, and one day I hope to become a big time movie director. "The stories we tell today shape the world we live in tomorrow" - Brayden Snuffer

I've been homeschooled since 8th grade. I love God, serving others, dancing, soccer, chess, reading, and spending time with family and friends. I have obtained my CNA & EKG certifications and will be attending Davenport University to study Nursing. I'm excited to see what God has in store for me.

Carissa Joy-Le Freed
I have been homeschooled since 3rd grade. My favorite subjects include science, art and music. I love creating and composing music, along with playing piano and guitar for hours. I am not sure what my next steps will be, but I am excited to see what God has planned for my future. My favorite Bible verses are Jeremiah 29:11 and 1 John 2:15.

"I am so thankful for my parents and their decision to homeschool me since 1st grade. I enjoy hanging out with friends/family, listening to music, baking, painting and much more. I will be leaving in the Fall for a missions trip to Turkey that will last a minimum of 3 months, but could last up to 9. I'm excited to see where God leads me and am so thankful for my parents and families support through it all!"

Hannah Gongalski
I became homeschooled in ninth grade and since then my perspective of life widened immensely. I love Jesus, music, laughter, sunshine, and my family. I hope to travel in my future and grow forever in my faith and relationships. "God's way is not a way without difficulty, but it is a way without regret." – Eric and Leslie Ludy.

I have been so blessed to be homeschooled my whole life. Throughout my education, I have enjoyed many hobbies including playing mandolin and guitar, bird-watching, playing board games competitively, and practicing karate, in which I earned my first degree black belt last year. I attended the 2024-2025 Electrical/ Alt. Energy program at the Careerline Tech Center and was accepted into an apprenticeship as a residential electrician. I plan to continue with my apprenticeship and earn my journeyman's card.

Isaiah Doctor
I have been homeschooled my whole life. Throughout the years, I have enjoyed youth baseball and football. I have played for the Shoreline Breakers Athletic Basketball Team. I am planning to enter the workforce after graduation.

Isaiah VanTongeren
Isaiah plans to continue his education at MCC with a focus in Manufacturing Automation. His future plans are to work in Aerospace. Isaiah's favorite Verse is Galatians 6:2 Bear one another's burdens, and so fulfill the law of Christ.

Jacey Ziegler
I plan to do every single thing that is possible within the next 15-20 years. After that I plan to do everything that is impossible. Booyah.

Joy Jackson
I have been homeschooled my whole life. I have loved participating in theater, my church's worship team, writing skits and plays, and spending time with friends and family. I hope to one day start my own theater group where we write and perform our own skits and plays. Galatians 2:20

Kaitlyn Jarnagin
I love God, my family, and being creative! Being homeschooled my whole life has allowed me to find the hobbies I like and the interests I want to pursue after graduation. Crafting, theatre, and cosmetology have been my main interests throughout high school; and cosmetology school will be the next step toward my goals!

Youngest of five I'm always the last to try something dumb, but that won't stop me. I drive like a skilled madman on my quad. I love to do water sports, and to swim. Church is my home. To praise the living God is my joy. Lord willing I'll be an electrician.
