Note the band line up comes from all your suggestions. It is then up to me to make contact with them all and put them in the schedule. I think the community has great taste for who the majority would like to have play at Dancing into Sunset Fruitport year after year.
Once again this year The Lakers Trolley will be making regular stops at Pomona Park, starting Memorial Day through Labor Day Weekend, running Thursdays through Sunday (no Tues or Wed). Start time is 2 pm to 10 pm.
Full fare: 19-59 yrs old is \$2.00
Discounted fare: 4-18 is \$1.00

60+ will also be only \$1.00 as well as persons with disabilities
Children up to age 4 are FREE
Supporting the Trolley is crucial to keeping it going. Even if it is just a ride around the lake as something different, the kids love it. The Lakers Loop stops at Spring Lake Beach. You can also transfer at the Spring Lake Holiday Inn as they make stops at the Grand Haven beaches as well.
What I love the best is that you can flag down the trolley and jump on, say, from the end of your street if you live along the route.
To see the routes and more information go to their website: Trolley - Deviated Route - Harbor Transit

Please bear with us each Thursday when our local geese love to visit Pomona Park and think they are marking their spot to sit and listen to the music too. Little do they know the Village is working with the proper authorities to give them a reserved spot on the water side of the bike path. In the meantime we do our best to pick up as much of their “markings” the morning of as possible. Thank you for understanding.
Watch for all the updates on our Facebook page: Dancing into Sunset Dance Party Fruitport. The page would not be as good as it is without Kate Holtrop and her sister Kim making the postings. Plus make sure to thank them when you see the girls walking around taking photos.
Until June 5th, stay warm, get those flowers and vegetable gardens planted as the days warm up, and we will see you at Pomona Park at 7pm sharp!
May tomorrow be a perfect day, May you find love and laughter along the way, May God keep you in His tender care until we meet again this season. I know I will be there.

A Thought for Today

Leaving cheese way too long
Sometimes can make it grow mold;
But leaving kindness without using it,
Might do the same,
As it turns too cold and old.
as we can

Life may serve the ice cream
If your soul knows how to keep control;
May not be your favorite flavor
But may also depend on
How you fill the bowl.
Time ahead of us today.....

We come as we are
We go as the day may be;
For, what might be deep in the humble heart
May not be what other see..
as we venture along.
